TAYLOR-HAMERLEY WEDDING

The marriage of St. Mary's Church was the scene of a pretty wedding this afternoon when Miss Willie May Hamerley was united in marriage to Mr. James H. Taylor, of Washington. The ceremony was performed by Rev. Father Kelly in the presence of members of the families represented and invited guests. Miss Ouellet Hamerley, sister of the bride, was maid of honor, and Mr. Richard Taylor, brother of the groom, was best man. The bride wore white net over white tulle, princess style, and carried bride roses, and her veil was held back by orange blossoms. The maid of honor was attired in light blue crepe de chine trimmed in baby Irish lace. She carried pink roses. The ceremony was performed in an impressive manner by Rev. Father Kelly, and after the newly-married couple had received the congratulations of the assembled party, they all repaired to the residence of the bride's parents, Mr. and Mrs. William E. Hamerley, where a reception was held. The parlor and dining room had been beautifully decorated and the tables, which had been tastefully spread, were filled with inviting edibles which were greatly enjoyed by the company. The bride and groom were the recipients of many beautiful and suitable presents. Mr. and Mrs. Taylor later left on a day's bridal trip to New York and Niagara Falls. They will reside in Washington after their return.

CITY DEMOCRATIC COMMITTEE.

The members of the city democratic committee elected at the recent primary election met last night at the Opera House cafe and reorganized with the election of Mr. Charles Bendheim as chairman and Mr. R. Theodore Cook as secretary. Both of these gentlemen have held the position of chairman and secretary for several years, and were chosen to succeed themselves. With the exception of Commonwealth's Attorney Samuel G. Brent, all the members of the body were present.

The committee determined upon active measures for building up a large vote for each of the democratic nominees at the Congressional and State election in November. Other meetings of the committee will be held between now and the date of the election to perfect a system for recording the entire available democratic strength.

RIVER NOTES.

The brisk northwest winds which have prevailed today enabled sailing vessels bound down the river to make steamboat speed, but steamers on their way up have been behind schedule time. None of the latter had anything special to report save head winds.

The schooner Nellie White, loaded with lumber by Smoot & Co. for the lower river, sailed yesterday.

A gasoline barge, loaded with lumber by H. K. Field & Co., has left for Indian Head. The lumber is to be used in the erection of a Masonic Hall.

The schooner Ella, loaded with lumber by the same firm, has sailed for Wilkinson's wharf.

A government tugboat is reported ashore at Pope's creek.

SPECIAL ELECTION IN COUNTY.

A special election was held yesterday in the Arlington and Washington districts, in Alexandria county, to take the sense of the qualified voters upon the question of additional school levy, and the proposition was approved in both districts. The majority in Arlington district was 44, and in Washington district 24.

The additional levy insures to Arlington district the erection of a new school house on Fort Myer Heights, near the county court house, to cost about \$10,000, and the probable commencement of another at Clarendon, between the county court house and Ballston. Washington district will have a new school house in the village of Cherrydale, to cost about \$8,000.

COLORED MAN KILLED.

John Buckner, colored, fell from one of W. A. Smoot & Company's carts at the intersection of Union and Oronoco streets late yesterday afternoon and was almost instantly killed, one of the wheels passing over his head. The cart was loaded with sand, and the man's head was crushed by the weight. No one seems to have witnessed the accident, but the body was found within a few moments after its occurrence. Dr. S. B. Moore, coroner, viewed the remains and issued a certificate of accidental death. Buckner was between fifty and sixty years old, and lived at 312 Wolfe street. It is understood that his wife and seven children live near Bailey's cross roads.

INSPECTION OF COMPANY G.

The annual inspection of the Alexandria Light Infantry, Company G, of the Seventeenth Virginia Regiment, was held last night in Armory Hall. A large number of spectators, including many ladies, were present. The inspection was conducted by Col. Jo Lane Stern, assistant inspector general of the State troops. The officers in command of the company were First Lieut. R. C. Talbot. There were present 44 men and the company passed a most successful inspection. Though Lieut. Demaine was in command, Capt. Murphy was present, but not in uniform.

NARROW ESCAPE.

Mr. Charles Nightingale, of this city, had a narrow escape from being killed near the station of the Washington, Alexandria and Mount Vernon Railway. He was endeavoring to board a moving train when he fell between the two cars. By prompt action of the crew the train was stopped before the wheels reached the prostrate man, and he escaped with a badly sprained ankle and some bruises.

Two bicyclists had narrow escapes from serious injury late yesterday evening on King street by collisions with wagons. One wheel was smashed.

ST. MARY'S CHURCH NOTES.

It can be stated upon undoubted authority that the Rev. Henry J. Cutler, rector of St. Mary's Church, who has for a long time, been greatly afflicted, has gone to the excellent refuge for sick priests at the convent of St. Agnes, near Baltimore, for rest and proper medical attention, retaining, of course, the position as rector he has so long and so well filled, expecting to return soon and resume his duties. In his absence, the Rev. Leonard L. Kelly, his assistant, will be in charge, but as he has long been suffering from hay fever and unable to get away, it is understood that he will go to the mountains every week until relieved, returning on Saturdays to participate in the services. Meanwhile, the Rev. August Halbleib, a native of Richmond, who was ordained priest at the Cathedral in Baltimore a little less than a year ago, will fill his place. He is a very able, active and worthy young priest to whom the congregation has already become attached, and will be assisted, when necessary, by the Rev. Richard L. Carne, who officiates daily at St. Mary's Academy, at a very early hour, and is guiding him in his work by accompanying him to the places to which he is called. He has known him since his youth in Richmond and has a very high esteem for him.

It is understood that there will be two sermons, one at each mass, every Sunday, while the present conditions last, one by Father Kelly, the other by Father Halbleib.

The schools connected with St. Mary's Church, both at the Academy and the parish hall, are flourishing, the former having two hundred pupils, many from abroad, and the latter one hundred and fifty from the congregation alone.

Atheist Falls Dead.

Bellefontaine, O., Sept. 25.—At the words that there was no God passed the lips of Amos Clark, 45 years old, and apparently in good health up to that moment, dropped dead yesterday. Clark, an atheist, was conversing with a group of neighbors gathered in his front yard. He was talking of his disbelief, arguing with members of his family. He called on God, whose existence he denied, to punish him if his view was wrong. Then he fell dead. Physicians called in from the nearby town decided that death was due to paralysis of the heart. Clark's family was awestruck by the lightning visitation of death.
